## **Ben Bius Receives the Endorsement of Texas Right to Life** ***Conservative Republican lands coveted endorsement of state's*** ***preeminent, oldest, largest, and most-respected pro-life organization***

**Huntsville, Texas**—Today, conservative leader Ben Bius announced he had received the endorsement of Texas Right to Life, the state's oldest, largest and most well-respected pro-life organization.

"I am honored to be endorsed by Texas Right to Life," said Bius. "There is nothing more precious than God's sacred gift of life. For over a half century, Texas Right to Life has been fighting to protect the sanctity of innocent human life in the Lone Star State. I am humbled they believe I am the best candidate in the Republican runoff election for State Representative in Texas House District 12 to stand with them as they continue the fight."

"For over fifty years, the dedicated leadership and members of Texas Right to Life have been fighting to build a pro-life Texas and their record speaks for itself," Bius said. This dedicated Christian ministry has been responsible for passage of some of the strongest, most effective pro-life legislation in the nation."

"Now that we have achieved victory in the decades long fight to overturn Roe v. Wade, the pro-life battle has returned to the states where it has always belonged. Pro-life opponents will use any and all means to turn back the clock on the incredible victories in defense of the sanctity of human life achieved in Texas through the dedicated efforts of Texas Right to Life and so many other conservative pro-life leaders. Texas Right to Life knows, that as State Representative, I will stand in the breach and fight to protect these hard-fought victories and keep Texas proudly pro-life."

"I am devoutly pro-life and have been so my entire adult life," said Bius. I have been in the trenches fighting for this and other important conservative causes for well over twenty years and I am gratified Texas Right to Life is now standing with me as I fight to win the Republican run-off election and to provide true, principled, and effective conservative leadership in the Texas House of Representatives to the people of Brazos, Grimes, Madison, Roberston, Walker, and Washington counties," Bius concluded."
